## Aquas Table

## Aquas Table

The Aquas table uses bold lines to draw attention upwards from the timber legs towards the contrasting top. Aquas looks and feels robust but maintains an air of elegance with soft angles to counter rigid corners.

Aquas can do a span of 4200mm without mid-legs.

Designed and made in Australia, Aquas can be customised in a variety of colours and finishes.

LEAD TIME  
4-6 weeks
