

## Agile Ottomans

Our agile ottomans collection includes the pieces:

- Teacup Standard ottoman with handle
- Piccolo Domed top, smaller footprint & discrete handle
- Teapot Double handle with a tapered body

Our agile ottomans range is an off-shoot of the Funhouse collection with a GECA certified foam body and feature handles for easy mobility, making it suited for a flexible and agile space.

The ability to change the finish, shape and size means this collection can be customised to suit offices, schools and public spaces.

Handles are available in leather, vinyl outer layer with leather interior or canvas for a greener option.
