## Happi Whiteboard

## Happi Whiteboard

Happi was made for the agile workspace and education. It comes with lockable castors for mobility and sturdy, angled whiteboard for easy writing.

The happy face is optional and serves the practical purpose of the mouth acting as a grip with storage space for dusters and other stationery, and eyes as marker holders.

Happi can come in a range of melamine/laminate finishes and sizes to suit any space.

LEAD TIME  
4-6 weeks
